## PERSONAL INFORMATION

I grew up as a bilingual child, speaking Italian with my mother and English with my father. My father grew up in the US and in South Africa. I grew up in the US and in West Africa. My relatives are in the United States and I travel often there to visit my cousin who's a researcher in bilingualism at Florida Atlantic University, as well as to follow courses and to keep my specialization up-to-date. As a bilingual, I'm in love with both the Italian and English language and wish to help parents who want their children to learn English and/or raise them as bilinguals.
